

CORE

[student leadership team of impact]
High school core application

Core Values

- 1. We will Love & Accept people:** every person EGR's (extra grace required), new people, people who have been here forever, people we don't normally get along with. Make them feel loved and part of the family of Impact Youth. We will reach out to the lost and hurting teenagers in the valley and be willing to make sacrifices for them to come to know Jesus.
- 2. We will Respect Others:** Show respect to adult leaders, and every student at Impact. We must give respect before we can have respect in return. Treat them as we would want to be treated. No attitude.
- 3. We will have Integrity:** Talk is cheap we need to be who we say we are. From church, school, work or at home. We will live in a way that honors Jesus and the CORE team. We will let our actions speak by living as Jesus would desire. We will not take offense if one of our fellow CORE members or students confronts how we are living. If what we are doing doesn't line up with God's standards we will change it and apologize to those involved.
- 4. We will be vulnerable:** We will share what we are going through with each other as a CORE team. We will be vulnerable and honest with our small groups and set the temperature for growth and honesty. We won't hold back because we realize that we lead through our strengths but connect through our weaknesses.
- 5. We will be Reliable/Consistent:** When we say that we will do something, we will follow through. If we can't do something we promised we will be sure to get someone to take our place. We will be people of our word. We will give CORE and Impact Youth a good name in our community. We will communicate with Pastor Jason and each other.
- 6. We will be patience:** we will show patience with each other and with everyone else we come in contact with. We will have mercy on them when they make mistakes helping them to grow past their failures and toward God. We will have Grace for them by blessing them in ways they don't even deserve so that Jesus would use our lives to impact them.
